

1. Visit Didlake.org to learn more about Didlake and what our company has to offer.
2. Click on **Careers at Didlake** in the top right corner then click **Apply Now** or **Apply for a job**.

3. This will take you to our career site where you can search by City, State, or Area of Interest. You can utilize the search bar at the top to search for a specific job posting by typing in the positions 5-digit req number (example: #08492) and clicking "SEARCH FOR JOBS!".

4. Click on the title of the job to view the full job description and apply. You will then be prompted to create an account or sign in with an existing account. Make sure to write down your login information so you can use this account to submit future applications.

5. After creating an account, you may fill out the application. Make sure to complete all sections of the application.
6. You will receive a confirmation email verifying that your application was submitted successfully.
 - a. If you do not complete your application, the system will send an email reminding you to complete the unfinished application.
7. After your application is submitted, it will be reviewed by our recruiting team. If you meet the qualifications for the position and there is room in the Hiring Managers queue, your application will be sent to them for consideration.

If you have questions at any point in the application process or want to check the status of your application, please email me at afitzwater@didlake.org. **Please allow 5 business days after submission before reaching out to inquire about an update on the status of your application.**
